Hi Sean, just a note to say hello, now that we've settled into our new home... and to say thank you to all the team at Allways Moving. As you know, I was really apprehensive about our move from Brampton to Toledo on Jan 28. However, despite the time of year, the distance involved, and the large amount of household goods being moved, it went really well and at a reasonable price. Communication was excellent, which was really reassuring, and Cheryl and Ivy in admin were helpful, friendly and efficient right from the first contact, Sean, you were great, even showing up to check on the progress and take some of the excess heavy items on our move-out day. As to our crew, Luc, Patrick and Tim, we can't say enough about how hardworking, efficient, polite and friendly they were. Despite a large and varied amount of household goods and furniture, they got the job done in record time and with no damage or loss. We enjoyed meeting them and appreciated the care they took with our furniture and belongings.

Thank you for a job well done – we would highly recommend Allways Moving & Delivery to anyone considering a move!
